

WITHIN REACH, BEYOND COMPARISON

July 18, 2018

Dear Supporter:

Re: 2018 Bowen Island Golf Club Annual Fundraiser (BAF)

As a former or potential supporter of this major annual fundraising initiative I am pleased to advise this year's event will be held on Saturday, September 15th. This donation appeal letter is being sent in the hope we can look forward to your continued, or first time, support of this widely embraced **public** amenity and this much needed event.

While one of the most popular public recreational amenities in our community, our green fee and membership revenues are not sufficient to sustain and maintain the course to the high standards established from the outset of construction, some 13 years ago. As one of the most favoured social and recreational gathering spots on the island, it is important we continue to operate the course, to those high standards, for *which we proudly note, has not and does not receive any government/taxpayer support.*

We would appreciate your \$300 support as a Joint Hole Sponsor (jhs), for which we will place your name/logo on a jhs sign, the Master Sponsors' sign and our post-event "thank you" display ad in our local newspaper. Please find enclosed the formal 2018 BAF Registration Form. Payment would be appreciated at the time of registration (cash, cheque, Visa or Mastercard), however, if an invoice is first required, please note same on the form. Should you have any questions, please do not hesitate to contact the undersigned at 604-990-1500 x308 or brucer@gulfpacific.ca.

In anticipation of your support I remain,
Yours truly,

R.B. (Bruce) Russell
Vice President, Special Projects
