PIN SHEET

The RCGA and the BCGA sponsor stroke play net competitions called **Pin Round Awards**. The competition is a provincial and national tournament, and these games support women's golf in BC. Our club plays 6 pin sheet rounds per season. The player and runner up in every club who has the lowest 4 rounds of the 6 wins a PIN. Three awards are given out by each organization each year.

INTERCLUB CHALLENGE WITH GLENEAGLES

This is a 9-hole tournament with a luncheon afterward—very friendly and all levels of skill are welcome.

The dates are: June 5 (away) June 26 (home)

BCGA ZONE 4 INTERCLUB MATCHPLAY

If you wish to participate in these match play games you must commit to one home game and one away game. You pay for one player for the home games, plus lunch, and they pay for you on the away games. All matches are 18 holes. Alice Jennings is our interclub match play captain (and your contact), if you are interested in Team Play. The schedule for 2017 is as follows:

May 9 (home) Musqueam

July 11 (away) Mylora

August 1 (home) Burnaby Mountain

August 29 (away) Fraserview

LET THE GAMES BEGIN !

WOMEN'S LEAGUE plays every Thursday morning with a shotgun start at **9:30 am**. Please arrive at the course at **9:00 am** to hear our weekly messages, learn about the day's game and get to your tee box. Please make sure your scores are entered because handicaps will be pulled Wednesday mornings before play. Once again, there will be points awarded for closest to the line (CL) on Hole 3 and closest to the pin (KP) on Hole 6 each week. Also be sure to bring your "toonie if you want to be included in the Deuce Pot.

SCHEDULE OF PLAY and DESCRIPTION OF EVENTS 2017

April 13 Opening day Scramble

9:30 am Shotgun Start

Coffee and muffins will be provided.

April 20 Most drives on the fairway Longest drive on hole 2

April 27 Regular game

• Pin Sheet

May 4 Putts only

Lowest number of putts wins; count only putts on the green, not chip-ons.

May 11 Pink ball scramble

Each team is given a pink ball and a separate pink ball scorecard. Each player plays in turn with the ball and records her net score for that hole until the round is finished. The object is to complete the round without losing the pink ball. If more than one team finishes with their pink ball, then the team with the lowest net (pink ball card) is the winner. If all pink balls are lost, then the team who played the most holes with their pink ball is the winner.

May 18 Regular game

LET THE GAMES CONTINUE !

May 25 Bingo Bango Bongo

Individual scores are kept as usual. Points per hole are awarded to the first player to reach the green (**Bingo !**), closest to the pin from off the green (**Bango !**), and to the first player to putt out (**Bongo !**). (Strictly observe who is 'away' on all shots and alternate who drives first on par 3s). The day's winner will be the player with the most points.

June 1 Beat the pro

Our golf instructor, Cody White will play a full round. At the end, he will subtract his 4 best holes and calculate his total on 5 holes. Each player will subtract her 4 worst holes, and take her net on the remaining 5 holes.

Are you better than a scratch golfer?

June 8 Tombstone

• **Stayin' Alive — that's the point**

Each player is given a 'Tombstone', which has her name and total of par plus her handicap written on it to her limit. When she has reached her 'limit' of strokes she is deemed to have become 'deceased'. She records the hole started on (**born**) and the hole she died on. Bring the **tombstone** back to the clubhouse. The idea is to play below your handicap and return at the end of play, alive and well.
