

# HOW TWEET IT IS!

Soon to be in your neighbourhood. Eighteen working birdhouses will be installed on the golf course that will meet FORE (4) objectives:

200, 150 & 100 yard markers to the greens/pins.

Affordable housing for our fine feathered friends. Working birdhouses are a requirement for Audubon certification.

A novel means to remember a loved one, friend or simply support our public golf course. A small donation/dedication plaque (see example @ 3" x 1½" will be installed on the support posts.

Payment of \$125 (Bowen Island Golf Club) will provide some much needed operational funding for our public golf course.

Please sign me up for this *How Tweet It Is* program. I openly admit this may be the only birdie I get on the course!
