

FRIEND OF HERB
BOWEN ISLAND GOLF CLUB

MEMORIAL WALK ~ HERB PATERSON

~ INVITATION TO PARTICIPATE ~

While Herb's name was associated with many great golf courses, he had a special fondness for ours on Bowen Island. He was very involved, as director for many years, in helping to turn this 77 year dream into a reality.

The **Friends of Herb**, with the blessing of Emilie, agree Herb would be delighted to have his name enshrined at our Bowen Island public golf course, which was virtually in his backyard. As such, the **Friends of Herb** will install a **HERB PATERSON** bronze plaque on the course's Memorial Walk as well as having his name added to the Memorial Walk master plaque in the clubhouse.

You are invited to become a **Friend of Herb** by way of making a donation that will help cover the cost of bronze plaque and master plaque upgrade with any surplus monies being earmarked for capital improvements at the course which will be considered a Herb Paterson legacy. We can be certain Herb would approve and will be looking down from the heavens and smiling while saying, *"thanks for your thoughtful gesture and the golf course legacy in my name."*

Should you wish to have your name added to the **Friends of Herb** donors' list, please complete and return the enclosed donation form. If you wish to pass on this invitation to any other Friends of Herb, please do so. In anticipation of your support and on behalf of the Paterson family, I thank you.
